310 Bus Route - TfL consultation on removal of service from Stroud Green Road

Dear Neighbours,

We have received notice from Transport for London (TfL) that they have launched a consultation on changes to the 310 bus route, which currently travels along Stroud Green Road.

What's being proposed by TfL?

TfL is proposing to re-route the 310 via Holloway / Nags Head, which would create new connections to Holloway Road, Seven Sisters Road, Tollington Road and Isledon Road.

However, this would mean that the 310 no longer runs along Hanley Road and Stroud Green Road.

While TfL says this would increase the number of people who could use the service, we are concerned for residents who use the existing 310 service in Stroud Green, as this new route would substantially increase the time taken to access the bus in both directions for those living on or around Stroud Green Road.

Public transport is a fundamental service for everyone in Stroud Green, and **we encourage you to share your views with TfL and with us: Nicholas, David and Liz, your Lib Dem local election candidates for Stroud Green.**

For more information, including a map of the proposals, and to give your views, please visit the consultation webpage on the TfL website at: https://haveyoursay.tfl.gov.uk/310-holloway-nags-head

The consultation runs until *Friday 6 March 2026.*

Should you have any other issues or problems to raise with us at any time, please don't hesitate to get in touch using the details below - **we are here to help.**

And as your Stroud Green Lib Dem team, working alongside our Haringey Lib Dem councillor colleagues, we are also keen to hear your suggestions for improvements to the local area and what your priorities are, so that we can make them our priorities too. Please just drop us an email to let us know.

Best wishes,

Nicholas Orford-Williams *David Vigoureux* *Liz Whitlock*
